The Duterte family could never.

Leni Robredo signed a waiver and allowed the Ombudsman to open her bank accounts.

Meanwhile, the Dutertes hide behind propagandists, trolls, technical excuses, and “fake news cleared na raw” scripts while AMLC records and findings raise serious questions about bank flows, declared assets, and money trails that deserve public scrutiny.

Kung malinis, bakit nagtatago?

Kung walang dapat itago, bakit trolls ang pinapaharap?

Accountability is not persecution. It is the minimum requirement when public office, public trust, and public money are involved.
Ang problema sa kanila: allergic sa resibo, pero adik sa script.

NEW WORLD RECORD 🏃‍♀️☝️

Ethiopia's Tigst Assefa set a new women's-only world record as she won the London Marathon on Sunday.

The 29-year-old surged ahead of Kenya's Hellen Obiri and Joyciline Jepkosgei in the final stretch, crossing the finish line in 2 hours, 15 minutes, and 41 seconds—breaking her previous record of 2:15:50, which she established in London last year.

Obiri finished second with a time of 2:15:53, while Jepkosgei secured third place in 2:15:55. (Wire photos via Reuters)

'NO HUMAN IS LIMITED'

Marathon legend Eliud Kipchoge lauded Sabastian Sawe and Yomif Kejelcha after both athletes broke the two-hour barrier at the London Marathon on Sunday.

"Today is a historical day for marathon running! Seeing two athletes break the magical 2-hour barrier at London Marathon is the proof that we are just at the beginning of what is possible when talent, progress and an unwavering belief in the human potential come together. My deepest congratulations to both Sabastian Sawe and Yomif Kejelcha… Let this achievement inspire the next generation and remind everyone in the world that no human is limited," he wrote in his post.

The two-hour barrier refers to the long-standing physical and psychological threshold of completing a full marathon, 42.195 kilometers (26.219 miles), in under two hours. (Facebook/ Eliud Kipchoge)

'HAHARAPIN AT SASAGUTIN NAMIN 'YAN'

Itinanggi ng kampo ni Atty. Manases Carpio ang tungkol sa P6.77 billion na dumaloy umano sa bank accounts nila ng asawang si Vice Pres. Sara Duterte.

"Haharapin at sasagutin namin lahat ng 'yan pagkatapos namin makakuha ng kopya ng mga reports na ito," saad ng legal counsel ni Carpio na si Atty. Peter Danao.

Nakatakdang maghain ng reklamo si Carpio laban sa mga opisyal ng Bangko Sentral ng Pilipinas (BSP), Anti-Money Laundering Council (AMLC), at ilang miyembro ng House Committee on Justice.

Kaugnay ito ng anila'y ilegal na paglabas ng sensitibong bank transactions ng mag-asawa.

U.S. President Donald Trump on Sunday (April 26) said on Fox News that the suspect in the shooting at Saturday's White House Correspondents' Dinner in Washington is a "sick guy" full of hatred for Christians, whose brother and sister may have flagged him to law enforcement.

"When you read his manifesto, he hates Christians," Trump said during a phone interview on Fox News Channel's The Sunday Briefing with Jacqui Heinrich. "That's one thing for sure. He hates Christians, a hatred. And I think his sister or his brother actually was complaining about it. Yeah, they were even complaining to law enforcement, so he was a very troubled guy."

Federal agents arrested Cole Tomas Allen at the Hilton hotel event in Washington after he ran through security checkpoints and fired a weapon, hitting a Secret Service agent wearing a bulletproof vest. Allen was headed toward the hotel's packed ballroom, where President Donald Trump, his wife Melania, Vice President JD Vance and several cabinet secretaries, along with hundreds of journalists, were attending the annual event.

IN SEARCH OF - I worked at Hollywood Video and Blockbuster and I would occasionally sneak one of these home to preserve them for history. I don't know why but I've always tried to save things like this. Now I have 2 maybe 3 that have survived. I am looking for more so I can copy them, transcribe what's on them and send them back to the original owner. I am working on transcribing what's on this one currently. When it's complete I'm putting it on Internet Archive and I'll link it in a future post. But for now if ANYONE has anything like this, VHS or DVD I would love to make a copy and send it back.

Rodric Mascuñana the problem with your logic is that Jesus is the heir to King David, not the Manalos. Second, the prime ministerial duties of the Church were not passed on to the Manalos, but to St. Peter and his successors (Matthew 16:18-19 GNT). The Manalos have no room in the Church.

Even if we consider your premise, Jesus entrusted the Church not to angels, but to the Apostles; and the Apostles, in turn, left it not to angels, but to the Bishops (Acts 20:28 ASV).

CASH IN BANK WAS LUMPED IN 'OTHERS'... See

Krizette Chu, Patron Saint of Malabong SALN and Non-Transaprency

Krizette, fake news peddler queen, hindi "technicality" ang pagtatago ng cash in bank o cash on hand sa "Others" ng SALN; kapag pera ang pinag-uusapan, ang public official na tapat, malinaw magdeklara, hindi nagpapanggap na ang kaban ng pera ay assorted candy sa tindahan.

Si Sara ang mali rito dahil ang SALN ay ginawa para makita ng taumbayan ang yaman ng opisyal, hindi para hulaan kung [illegible] ng "Others"; kung walang tinatago, bakit parang allergic siya sa simpleng salitang "cash"?

TOTOONG BANTA SA BUHAY NG PANGULO

Idiniin ng National Bureau of Investigation (NBI) na totoo at hindi conditional ang inihayag ni Vice Pres. Sara Duterte na banta sa buhay ni Pres. Bongbong Marcos.

Ayon kay NBI Director Atty. Melvin Matibag, itinuturing din nilang banta ang pahayag ni Davao City Mayor Baste Duterte na kailangan nila ang ulo ng Pangulo.

27 Apr, 2026 11:23:23 35

Each of us is confirming that we authorized our family's representative on the board to vote to remove Piki as president. This wasn't an easy decision for us. And no, this wasn't led by a single person or faction of the family. From the start, keeping our families intact and unscathed was of primary importance. It was never our intention to go down this path or to proceed as has unfolded.

However, we collectively came to the same conclusion that, in the interest of all shareholders, this is the right path forward. In fact, it is this path, in line with our values, that requires us to adhere to the rules and corporate governance we have adopted.

It is by taking this action that we will achieve our main goal to do what's right, protect the shareholders, safeguard the company and its employees, and take care of the legacy entrusted to us. We're committed to being responsible and doing what's best for everyone involved, constantly looking for ways to keep this ongoing battle focused solely on verifiable facts.

We will not engage in a back-and-forth public argument; instead, we will speak through our actions.

BEYOND BATCHOY:

The Rise of Iloilo City's Public Markets as a National Benchmark

For years, visitors to Iloilo City have been told the same thing: your trip is not complete without tasting batchoy and Molo balls.

Today, that well-loved advice is evolving. A new must-see is rising alongside the city's culinary icons—its modernized public markets.

What were once purely functional spaces are now being redefined as symbols of innovation, discipline, and civic pride. The transformation of the Iloilo Central Public Market and Iloilo Terminal Public Market, along with district markets in La Paz, Arevalo, and Jaro, is quietly setting a new national standard that it draws attention from other local government units, media figures, and local leaders across the country.

Among those who have visited are former Senate President Franklin M. Drilon, Presidential Communications Office Undersecretary Claire Castro, and veteran broadcast journalist Ces Drilon. Their visits reflect a growing recognition that Iloilo City's public markets are no longer just local assets, they are becoming national reference points.

"I came here because I've heard so much about this," Drilon said, adding that the project may serve as a model for other LGUs. He also credited former mayor Jerry Treñas for his leadership in realizing the project, which earlier administrations had failed to accomplish despite prior attempts.

For Undersecretary Castro, the impact was evident in the vendors themselves. During her visit, she engaged with stallholders and observed how the improved environment supports both order and livelihood. Meanwhile, Ces Drilon's visit—part of her personal itinerary—underscored how these markets have evolved into destinations in their own right.

Mayor Raisa S. Treñas emphasized that the initiative goes beyond infrastructure. "This reflects the national government's commitment to stay close to our communities and strengthen support for the livelihood of our market vendors," she said.

The redevelopment of the city's flagship markets was carried out through a public-private partnership with SM, while the management remains with the Iloilo City Government. Complementary upgrades to other district markets, funded by the city, form part of a broader effort to enhance commerce and community life.

Since the reopening of the markets, at least nine LGUs and institutions nationwide have visited Iloilo to benchmark the project. These include representatives from San Pablo, Laguna; General Santos City; Cabuyao, Laguna; Capiz; San Jose, Antique; and Tigbauan, Iloilo, as well as organizations such as FIR Investors, the Baguio Business Club, and the Department of the Interior and Local Government (DILG) – Western Visayas.

For many, the takeaway is clear: modernization can be achieved without losing the identity of traditional markets.

Local officials from Estancia, Northern Iloilo—Vice Mayor Mark Cordero and Sangguniang Bayan Member Roy Niño Malunda left with more than impressions; they left with intent.

Cordero pointed to the public-private partnership as a key driver of success, describing the result as "world-class," with organized vendors and a level of cleanliness rarely associated with traditional markets.

Malunda, meanwhile, spoke with a sense of aspiration, "Ga-handom man, especially ako, nga pila ka adlaw ma-ilog man ni namon. Mahatag man ni namon sa mga kasimanwa namon nga Estanciahanon ang amo ni ka limpyo nga merkado."

As more visitors arrive, Iloilo's public markets continue to gain recognition—not just as centers of trade, but as working models of effective governance, collaboration, and urban transformation.

Itinanggi ni Atty. Manases “Mans” Carpio na siya at ang kaniyang asawa na si Vice President Sara Duterte ay may mga bank transactions na umabot sa P6.7 bilyon, na tinukoy ng Anti-Money Laundering Council bilang “covered at suspicious.”

Sinabi ito ng kaniyang abogado na si Atty. Peter Paul Danao matapos maghain ng reklamong kriminal laban sa ilang kongresista at mga opisyal ng AMLC at BSP.

JOINT STATEMENT NG LOPEZ FAMILY MAJORITY... more

Each of us is confirming that we authorized our family's representative on the board to vote to remove Piki as president. This wasn't an easy decision for us. And no, this wasn't led by a single person or faction of the family. From the start, keeping our families intact and unscathed was of primary importance. It was never our intention to go down this path or to proceed as has unfolded.

However, we collectively came to the same conclusion that, in the interest of all shareholders, this is the right path forward. In fact, it is this path, in line with our values, that requires us to adhere to the rules and corporate governance we have adopted.

It is by taking this action that we will achieve our main goal to do what's right, protect the shareholders, safeguard the company and its employees, and take care of the legacy entrusted to us. We're committed to being responsible and doing what's best for everyone involved, constantly looking for ways to keep this ongoing battle focused solely on verifiable facts.

We will not engage in a back-and-forth public argument; instead, we will speak through our actions.

'PANGAKONG JETSKI, KAMI ANG GAGAWA'

Ito ang sigaw ng Atin Ito Coalition para sa ikinasa nilang ikaapat na civilian mission sa West Philippine Sea na may temang “Balik-Pag-asa” mula April 30-May 5, 2026.

Tampok sa misyong ito ang "Patriotic Jetski Flag Ride" sa Pag-asa Island na pamumunuan ni Akbayan Rep. Dadah Kiram Ismula. Philippine authorities are beginning to piece together how former congressman Elizaldy “Zaldy” Co moved across Europe, Department of Justice (DOJ) acting Secretary Fredderick Vida said Sunday, following initial coordination with Czech counterparts.

Vida said the DOJ delegation has obtained “workable intel” that is helping clarify how reports emerged that Co had been sighted and encountered by authorities.

KORAPSIYON SA SK?

Dalawang SK chairman sa Makati ang sinibak sa puwesto dahil umano sa korapsiyon, ayon kay SILG Jonvic Remulla.

"Kung ako lang ang masusunod ay papalitan ko na ang istruktura ng SK, ngunit ito ay isang constitutional issue at hindi kaya ng aking kagawaran."

Dagdag pa ni Remulla, kung magkakaroon ng constitutional change ay irerekomenda niyang buwagin ang SK dahil nagiging kultura na umano na simula pagkabata ay natututo na ng korapsiyon.

PHILIPPINE EAGLE, NAMATAAN SA MATALAM, COTABATO

Namataan ang isang Philippine eagle sa bayan ng Matalam, Cotabato sa gitna ng isinagawang wildlife monitoring mula April 14 hanggang 16, 2026.

Ayon sa DENR Soccsksargen, nakita ang critically endangered na ibon habang naglilinis ng sarili sa sanga ng isang puno ng Ulayan bago ito lumipad sa gilid ng kagubatan.

Ayon sa mga eksperto, indikasyon ito na aktibong ginagamit ng agila ang habitat sa nasabing bundok.

MAKABAYAN TO HOUSE: PROBE DEATHS OF 'NEGROS 19'

LOOK: The Makabayan bloc filed a resolution urging the House of Representatives to investigate the deaths of 19 individuals in Toboso, Negros Occidental on April 19. The lawmakers cited allegations of human rights and international humanitarian law violations in what government forces call a legitimate operation. | via Ian Peter Guanzon #CDNDigital

TWENTIETH CONGRESS
First Regular Session
House Resolution No. 962

Introduced by
KABATAAN Party-list Rep. RENEE LOUISE M. CO,
ACT Teachers Party-list Rep. ANTONIO L. TINIO, and
Gabriela Women's Party Rep. SARAH JANE I. ELAGO

A RESOLUTION
DIRECTING THE HOUSE COMMITTEE ON HUMAN RIGHTS TO URGENTLY CONDUCT AN INVESTIGATION, IN AID OF LEGISLATION, ON THE MASSACRE OF UNARMED CIVILIANS ALLEGEDLY PERPETRATED BY THE 79TH INFANTRY BATTALION OF THE ARMED FORCES OF THE PHILIPPINES IN TOBOSO, NEGROS OCCIDENTAL, WHICH CONSTITUTES A VIOLATION OF HUMAN RIGHTS AND INTERNATIONAL HUMANITARIAN LAW

WHEREAS, Article II, Section 2 of the 1987 Philippine Constitution provides that "[t]he Philippines renounces war as an instrument of national policy, adopts the generally accepted principles of international law as part of the law of the land and adheres to the policy of peace, equality, justice, freedom, cooperation, and amity with all nations";

WHEREAS, Article II, Section 11 of the same also provides that "[t]he State values the dignity of every human person and guarantees full respect for human rights";

WHEREAS, the Philippines is a state party to the Geneva Conventions of 1949 and their Additional Protocols, thereby legally binding the Philippine government to adhere to their principles and to enact policies that do not go in conflict with said principles;

(7) Kai Sorem, 26, a Filipino-American cultural worker;

WHEREAS, KARAPATAN, a human rights group, has castigated the AFP for its military operations in Negros, citing that, regardless of the victims' status as armed combatant or unarmed civilian, "the sheer number of those killed triggers significant questions on the conduct of the operations including use of proportionate force, the steps taken to minimize casualties, and compliance with IHL and human rights";

WHEREAS, public outcry has erupted with the downpour of statements from people's organizations, civil society groups, and non-government entities condemning the military's actions and demanding that justice be served for the victims of the massacre;

WHEREAS, Commission on Human Rights (CHR) itself has also expressed its alarm over the issue and "has initiated an independent investigation" on the matter, stressing that "[d]etermination of status, circumstances of engagement, and proportionality must be based on verifiable facts and due process", while adding that "[i]n case of doubt, persons shall be presumed civilians";

WHEREAS, the current case of individuals killed in Toboso, Negros Occidental, adds to the list of inhumane acts perpetrated by state forces in the island region, exposing the failure of intensified militarization in the countryside to genuinely address the root causes of armed struggle in the country;

NOW, THEREFORE, BE IT RESOLVED, AS IT IS HEREBY RESOLVED, that the House of Representatives of the Republic of the Philippines direct the House Committee on Human Rights to urgently conduct an investigation, in aid of legislation, on the massacre of unarmed civilians allegedly perpetrated by the 79th Infantry Battalion of the Armed Forces of the Philippines in Toboso, Negros Occidental, which constitutes a violation of human rights and International Humanitarian Law;

BE IT FURTHER RESOLVED, that the House of Representatives express its support for the conduct of full, independent, and impartial investigations by the Commission on Human Rights and other credible human rights organizations on the matter;

wealth, or any other similar criteria";

WHEREAS, Republic Act (R.A.) No. 9851, or the "Philippine Act on Crimes Against International Humanitarian Law, Genocide, and Other Crimes Against Humanity", declares it the policy of the State to adopt "the generally accepted principles of international law, including the Hague Conventions of 1907, the Geneva Conventions on the protection of victims of war and international humanitarian law, as part of the law our nation";

WHEREAS, in Section 3(q) of the same, the definition of a "'[p]rotect person' in an armed conflict" includes "a civilian or any person not taking a direct part or having ceased to take part in the hostilities in the power of the adverse party";

WHEREAS, Memorandum Order No. 32, signed by former President Rodrigo Duterte on 22 November 2018 and yet to be lifted during the term of President Ferdinand Marcos Jr., orders the deployment of additional military and police troops to various regions, including the Negros Island Region, which is meant to suppress "lawless violence" but has instead worsened state-perpetrated violence against the residents of those regions;

WHEREAS, from the 19th until the 20th of April 2026, focused military operations were conducted by the 79th Infantry Battalion of the Armed Forces of the Philippines (AFP) in Toboso, Negros Occidental, resulting in the forced evacuation of at least six hundred and fifty-three (653) residents from one hundred and sixty-eight (168) households, and the death of at least nineteen (19) individuals;

WHEREAS, the AFP, in its statements and press releases, maintained that all deaths from the focused military operations were of armed combatants and members of the New People's Army (NPA);

WHEREAS, later reports from residents and witnesses on the ground dispute the assertion of the military, arguing that among those killed were unarmed civilians;

WHEREAS, among the nineteen, the following individuals have been identified and cast doubt on the "only armed combatants" claim of the AFP:

BE IT FINALLY RESOLVED, that the House of Representatives call for the immediate and formal termination of Memorandum Order No. 32, in order to relieve the Negros Island Region and all other regions included therein from worsening human rights violations committed by state actors.

Adopted,

REP. RENEE LOUISE M. CO

REP. ANTONIO L. TINIO

ABS-CBN's decision to cast DDS Senator Robinhood in one of its teleseryes is, in my view, one of the most misguided moves the company has made. Because of this, I've decided not to watch any ABS-CBN programs unless and until that decision is reversed.

DRRM-CCA BroadCAST Meeting strengthens disaster communication in Iloilo

A coordination meeting under the DRRM-CCA BroadCAST initiative was successfully held, gathering key partner agencies and provincial offices across Iloilo Province today, April 27, at Casa Real de Iloilo.

The activity focused on aligning strategies, clarifying roles, and strengthening collaboration for a unified, radio-based disaster information campaign. Officials also discussed communication approaches and content planning to ensure more effective delivery of information to the public.

The initiative underscores the importance of coordinated communication in delivering timely, accurate, and reliable disaster advisories—especially to vulnerable and hard-to-reach communities.

Through radio, the project aims to provide early warnings, preparedness guidance, and safety information before, during, and after hazard events.

PICAO Information Officer Mr. Erly Garcia served as one of the resource speakers, focusing his discussion on Effective Radio Advisories and Messages.

Nagsampa ng reklamo si Atty. Manases "Mans" Carpio, asawa ni Vice President Sara Duterte, nitong Lunes (Abril 27) laban sa ilang opisyal ng gobyerno kaugnay ng umano'y ilegal na pagsiwalat sa bank records nilang mag-asawa sa isang pagdinig ng Kamara.

Sa pagdinig kaugnay ng impeachment complaint laban sa bise, matatandaang ibinunyag ng Anti-Money Laundering Council (AMLC) na mayroong "suspicious" at "covered" transactions sa bangko ng mag-asawa na aabot sa P6.77B na halaga simula noong 2006.

Dahil dito kinasuhan ni Carpio sina Bangko Sentral ng Pilipinas (BSP) Governor Eli Remolona Jr., AMLC Executive Director Ronel Buenaventura, pati na sina House Committee on Justice chairperson Gerville Luistro, Akbayan Party-list Representatives na sina Perciv Cendaña at Chel Diokno, at Mamamayang Liberal Rep. Leila de Lima.

Each of us is confirming that we authorized our family's representative on the board to vote to remove Piki as president. This wasn't an easy decision for us. And no, this wasn't led by a single person or faction of the family. From the start, keeping our families intact and unscathed was of primary importance. It was never our intention to go down this path or to proceed as has unfolded.

However, we collectively came to the same conclusion that, in the interest of all shareholders, this is the right path forward. In fact, it is this path, in line with our values, that requires us to adhere to the rules and corporate governance we have adopted.

It is by taking this action that we will achieve our main goal to do what's right, protect the shareholders, safeguard the company and its employees, and take care of the legacy entrusted to us. We're committed to being responsible and doing what's best for everyone involved, constantly looking for ways to keep this ongoing battle focused solely on verifiable facts.

We will not engage in a back-and-forth public argument; instead, we will speak through our actions.

Wala na talagang dignidad si Harry Roque - BLINDLY HITTING ON A WORKING MAYOR OF NAGA habang tinatakbuhan ang kaso niya dito sa Pilipinas. Working Mayor versus a Pugante ang peg.

City versus Region pa lang, kata nga han na. Parang hindi nag-grade 2 for somebody na mapag-impose ng katalinuhan niya kuno.

Also, Mayor Leni got elected May 2025, assumed position June 2025. How much work can she do given the 6 months time frame.

At least, Mayor Leni is not a fugitive, hindi kahihiyan sa mga anak niya at hindi kahihiyan sa mga pilipino kagaya mo. Umuwi ka na, harapin mo ang kaso mo.

PAVIA KAPIYESTAHAN 2026 OPENING CEREMONY

Isa guid ka malipayon nga Opening Ceremony ang akon nabatyagan sa selebrasyon sang Pavia Kapiyestahan 2026 nga ginhiwat sa Pavia Public Plaza isa ka kahigayunan nga puno sang kasadyahan, paglaum, kag paghiusa sang mga Pavianhon.

Sa sini nga selebrasyon, ginpasangkad ang mga programa nga nagapakita sang kusog sang banwa, lakip ang Pavia Agri-Fair 2026 kag ang Pavia Tourism Promotions and Pasalubong Center. Ang newly improved plaza kag ceremonial switching-on sang fountain naghatag sang mas lapad nga espasyo para sa kasadyahan kag pagtilipon.

Sa likod sang sini nga madinalag-on nga selebrasyon yara ang mga pumuluo sang banwa sa pagpanguna ni Mayor Luigi Gorriceta, upod ang padayon nga suporta ni Former Cong. Mike Gorriceta kag Congresswoman Doc Kathy Gorriceta—isa ka komunidad nga nagahiusa para sa mas mainuswagon nga palaabuton.

Kabay nga magahatag inspirasyon ang ini nga selebrasyon, nga ang pag-uswag indi lang makita sa mga proyekto kundi mabatyagan sa espiritu sang katawhan nga pirmi nagapadayon kag nagahugpong para sa padayon nga pag-arangka sang Pavia.

UNIVERSITY OF THE PHILIPPINES 1908

27 APRIL 2026

Statement on the Toboso Tragedy

The University of the Philippines is deeply saddened by the death of UP students Alyssa Alano and Maureen Santuyo. They were killed along with several others in a military operation conducted last week in Toboso, Negros Occidental.

The University has extended assistance to bring home the remains of both students, ensuring that their families and communities could pay their respects with dignity.

We support the initiative of the Commission on Human Rights to conduct an independent, transparent, and thorough investigation on the facts and circumstances surrounding the incident, and we call on all relevant government agencies to assist this effort in the interest of justice.

We also appeal to the public to withhold judgment on the presence of our students in underserved communities. No UP student is limited to lessons learned within the classroom.

While initial reports indicate that both students were engaged in community activities for their respective organizations and not university-sanctioned programs, we stand by the right of all students to lawfully and peacefully exercise their constitutionally protected freedoms, especially in furtherance of raising their social consciousness.

The University shall remain a beacon of critical thinking, conscience, and courage.

Although we don't yet have the details about the motives behind last night's shooting at the White House Correspondents Dinner, it's incumbent upon all us to reject the idea that violence has any place in our democracy. It's also a sobering reminder of the courage and sacrifice that U.S. Secret Service Agents show every day. I'm grateful to them – and thankful that the agent who was shot is going to be okay.

The Daily Basis claimed that the Best Content Creator doesn't deserve to be a pop pioneer, but that claim falls short. A pop pioneer is a cultural catalyst who challenges conventions, redefines what is possible, and inspires people to dream bigger. BIIK, NAGPAPALAMBING?! #FYP

Sa video ni Benazzir Ontar ng Maria Aurora sa Aurora province, makikita ang kanyang pamangkin na si Nicole habang buhat-buhat ang kanilang biik na si Domeng.

Si Domeng, gustong-gusto raw na hinehele. Kapag naman aktong ibababa, nag-iingay ito na tila sinasabing ayaw niya.

Pero 'wag ka, pinaka-behave umano ang biik sa kanilang 11 na magkakapatid. Ito rin daw ang natatangi!

Kung ang kanyang mga kapatid, tipikal na pinkish ang kulay, si Domeng naman, nag-iisang kulay itim ang katawan at puti ang mga paa na tila naka-medyas pa.

OFFICIAL STATEMENT

The Provincial Government of Batangas reiterates that the release and implementation of the Socio-Civic Projects Fund (SCPF) under the President's barangay support program is governed strictly by compliance with documentary requirements, existing rules, and the guidelines set by the Office of the President and concerned national agencies.

As clearly emphasized by Executive Secretary Ralph G. Recto, this program is not political in nature. It is intended for the benefit of the people, particularly our barangays and students who need support. The release of assistance is based on completion and review of required documents, not on political affiliation, favoritism, or personal preference.

We wish to make it clear that the **Office of the Governor is not part of the process, evaluation, or approval of the SCPF Fund**. The Governor does not determine which barangays are approved or disapproved. The role of the Provincial Government, upon instruction of the Office of the President, is to assist in the proper, orderly, and prompt implementation of the program in accordance with established rules and requirements.

In Batangas, 980 out of 1,078 barangays have already received support. For the remaining barangays, the release of assistance will proceed once the necessary documents are completed, submitted, and reviewed. In certain cases, checks were already prepared but remained unclaimed due to non-attendance during the scheduled handover. In other areas, delays were caused by incomplete or non-submission of requirements.

For this reason, any allegation that barangays were denied assistance due to politics is baseless and unfair to the process. Compliance, not politics, governs the release of funds.

The Governor's duty is to follow the instructions of the Office of the President and to ensure that programs intended for the people are implemented diligently, properly, and without delay. Public service must not be obstructed by political noise or misleading narratives.

We, therefore, call on all concerned officials and stakeholders to stop politicizing a program that is meant to help communities. Let us not use government assistance as a tool for political grandstanding. The people of Batangas deserve service, not politicking.

The Provincial Government of Batangas remains committed to supporting the directive of President Ferdinand R. Marcos, Jr. for fast, fair, transparent, and inclusive implementation of programs for every barangay.

Hindi nga pinaimpeach si Leni ni PRRD e. Anong pinagsasabi nyo?

"Hindi pina-impeach ni PRRD si Leni" is not the flex you think it is.

Legally, impeachment is not the President's personal switch. Under the Constitution, the House has the exclusive power to initiate impeachment, and the Senate has the sole power to try and decide it. Co-equal branches iyon, hindi remote-controlled department ng Malacañang.

So kung ang depensa ninyo ay "hindi pina-impeach ni Duterte," ano ang sinasabi ninyo? Na siya ang may control kung sino ang uusigin ng Kongreso? Kasi kung oo, mas malala iyon. That is not constitutional restraint; that is political control.

At noong may usaping i-impeach si Leni, wala siyang ginawang pambabara sa proseso. Walang pa-victim machinery para gawing kasalanan ang accountability. Walang pagtatago sa trolls, paid bloggers, fake news, o supporters na inuuto para i-weaponize laban sa checks and balances.

At kung natuloy iyon, ang record niya ang nagsasalita: humarap siya sa debates, naglabas ng SALN, pumirma ng bank waiver, at sumagot sa mga tanong.

Kasi ang totoong matapang, hindi kailangan ipagtanggol ng technicality circus.

Humaharap.

WALA NA SA CZECH REPUBLIC SI ZALDY CO

Kinumpirma ni Justice Secretary Fredderick Vida na wala na sa Czech Republic si dating Ako Bicol party-list Rep. Zaldy Co. Ito ay matapos ang pakikipagpulong ng high-level coordinating team ng bansa sa Czech Ministry of Justice.

Wala umanong impormasyon si Vida kung nasaan ang eksaktong kinaroroonan ni Co pero siniguro niya na nasa loob pa rin ito ng Schengen area.

Samantala, kumpiyansa naman si Vida na maibabalik sa bansa si Co upang harapin ang charges laban sa kaniya kaugnay ng umano'y ghost flood control project. Ngunit, nang tanungin kung ngayong taon ito mangyayari, hindi sigurado si Vida. | via Mariz Umali/GMA News

The National Bureau of Investigation (NBI) has issued subpoenas to vloggers Iloy Bugris, Rigondola Ping, and Crage Anderpal in connection with a probe into the spread of false information regarding President Ferdinand Marcos Jr.'s health, Palace Press Officer Claire Castro confirmed on Monday.

"Opo, ang binigay po na dokumento ng PCO para sa agarang malalimang pag-iimbestiga sa mga vloggers na nagpakalat ng peke patungkol sa kalusugan ng ating Pangulo, ito po ay nai-forward na po sa NBI at nagkaroon na rin po ng subpoena sa tatlong vloggers para sa karampatang pag-iimbestiga ng NBI," Castro said.

"Ito po ay si Rigondola Ping, Crage Anderpal and Iloy Bugris. So, binigyan na po, nagpaabot na po ng subpoena ang NBI," she added.

TINGNAN: DPWH Secretary Vince Dizon, DENR Acting Secretary Mitch Cuna, Japanese Ambassador to the Philippines Endo Kazuya at Navotas LGU, ininspeksyon ang Navotas landfill ngayong umaga, April 28.

Mas maraming heavy equipment na ang nakapasok sa landfill dahil sa access road simula noong April 18. Sabay-sabay itong ginagamit para matabunan ng lupa ang bahagi ng landfill na nasusunog pa.

Tumulong na rin at nagbigay ng kanilang technical support ang Japan disaster response team.

Sabi ni Secretary Dizon, 90 percent ng 44 ektaryang landfill ang nasunog. Halos 50 percent na raw ang naaapula. | via James Agustin/GMA News

KASADYAHAN SA LAMBUNAO

Masadya ang pangabuhi sa uma: kaon sa fiesta, patunaw-tunaw sa lantaw basketball. What a nice way to spend the weekend.

Akon gid ginapasalamatan, kaupod ni Board Member Amalia Debuque, ang mainit nga pag-imbitar ni Kap Noel Adorado sa kapistahan sang Barangay Natividad, Lambunao. Nalipay gid kami makaupod ang amon mga kaparentehan kag mga abyan sa Tercer Distrito, ilabi na kay manamit ang bisaya nga lechon kag matam-is ang avocado shake, perfect gid sa mainit nga adlaw.

Pagkatapos panyaga, nagderecho kami ni Board Amalia sa Barangay Daanbanwa para maglantaw sang opening game sang 1st Karay-a Cup Basketball Tournament, diin amon nasaksihan ang 40-and-above category. Congratulations kay Pres. Kenneth John Lenaming, ila Liga President kag coach, sa pagdaug sa inyo first match. Salamat man kay Kap Camilo Gonzales, sa mga opisyales kag pumuluyo sang Barangay Daanbanwa sa mainit nga pagbaton.

It was one of those days that remind you community life can be simple and rich at the same time. From fiesta tables to the basketball court, makita mo gid ang fellowship, healthy competition, kag local spirit.

Salamat gid, Barangay Natividad kag Barangay Daanbanwa. Padayon lang kita sa paghiusa kag pagpalangga sa komunidad.

Bakit wala namang issue si Mayor Leni tungkol sa bank waiver? Bakit wala naman siya sinabi na dapat dumaan sa due process or nagdahilan na gagamitin sa pamumulitika lang ang bank waiver?

Bakit wala naman siyang sat-sat o kuda tungkol sa kung anong laman ng bank account niya? Bakit wala namang mga influencers na taga-defend or taga-baluktot ng facts kung bakit di dapat buksan ang bank accounts?

Syempre, dahil wala namang tagong yaman si Mayor Leni na dapat protektahan. Higit pa doon, she's simply walking the talk. Dahil ang pinakaunang bill na inihain ni Mayor Leni sa kongreso ay ang Full Disclosure Policy Bill o House Bill No. 19 na isang uri ng transparency bill.

Dahil from day one as a public servant, Mayor Leni has advocated for transparency. Not just empty talk or political talk. Dahil madali lang naman talaga magsabi na laban ka sa korapsyon or para ka sa transparency. The hardest part for most politicians is actually proving it with a simple signature on the dotted line of a bank waiver.

JESSE AND LENI ROBREDO VISITED BY PRESIDENT FIDEL RAMOS

This 1994 photograph from Naga City captures a young Robredo family—including Jesse, Leni, and their young daughters Aika and Tricia—alongside former President Fidel V. Ramos. The image highlights the deep-rooted alliance between FVR and Jesse Robredo, who served as a key ally and President of the League of Cities during that era. By including Aika as a six-year-old and Tricia as a baby, the photo underscores a lifelong connection that eventually led to the former President's heartfelt endorsement of Leni Robredo's own campaign decades later.

Nagsagawa ng impeachment dialogue sa House of Representatives sina Bicol Saro Party-list Representative Terry Ridon at ilang lider ng simbahan bago ang nakatakdang pagdinig ng Justice Committee kaugnay ng impeachment ni Vice President Sara Duterte ngayong April 29.

Sa naturang pagtitipon, ipinahayag ng mga kinatawan ng simbahan ang suporta sa proseso at nanawagan na humarap ang Bise Presidente sa gitna ng mga alegasyon tungkol sa confidential funds, umano'y hindi maipaliwanag na yaman, at mga banta sa Pangulo, First Lady, at dating House Speaker.

Thinking about ₱6,700,000,000.00 can make your brain hurt. That’s the kind of money that went in and out of Sara Duterte and her husband’s bank account.

We’re so used to seeing "billion" in news headlines as the usual figures mentioned in corruption scandals that we’ve become numb to the math.

To put it simply, if a millionaire is "rich," a billionaire is an entirely different species. Here is a breakdown of just how massive 6.7 billion pesos actually is in terms every Filipino can feel...

If you bought 50kg sacks of premium rice at ₱3,000 per sack, you could buy 2.23 million sacks. That is enough rice to give every single household in Quezon City and Manila a sack of rice, with enough left over to feed a small province for a month.

You could buy roughly 81 million Chickenjoy meals. That’s enough to feed every single person in the Philippines a fried chicken lunch, and you'd still have tens of millions of pesos left over for extra gravy.

If you spent ₱100,000 every single day, no investing, just pure spending, it would take you 183 years to run out of money. You could have started spending during the Spanish-American War in 1898, spent through WWII, the 70s, and the pandemic, and you’d still have over a billion pesos in the bank today.

At a cost of ₱1.5 million per decent low-cost housing unit, ₱6.7 billion could build 4,466 homes. That is an entire community, a whole new town built from scratch, fully paid for.

If yo 28 Apr, 2026 12:15:26 mum wage in Metro Manila at ₱610 per day, it would take you 30,000 years of working

If you earned the current minimum wage in Metro Manila at ₱610 per day, it would take you 30,000 years of working every single day wirh no days off to earn 6.7 billion pesos.

That's the kind of money that Sara Duterte and her husband saw come in and out of their bank accounts. An amount that no ordinary Filipino can imagine and no Duterte wants Filipinos to see.

Just wanted to share this throwback photo taken seven years ago.

Looking at it now brings back many memories and reminds me that Iloilo City has always been more than just a place to me — it is, and will always be, my HOME.

Serving my fellow Ilonggos was never something I took lightly.

It was both a privilege and a solemn responsibility that I carried with gratitude each day.

Every day, I am inspired by your stories, your hopes, and your dreams that's why I tried the best that I can do, to give Iloilo the progress it truly deserves.

The trust you gave me through the years is something I will always treasure. Kun ano man nga kauswagan ang nalab-ot naton subong, was never the work of one person alone, but the result of a community that believed in what we could accomplish together.

To have served Iloilo City will always be one of the greatest honors of my life.

No matter the season, I will always hope and pray for the continued growth, safety, and prosperity of the city we proudly call home. 💙

PAMBANSANG KOMISYONG PANGKASAYSAYAN *ng* PILIPINAS

NATIONAL HISTORICAL COMMISSION *of the* PHILIPPINES

PAHAYAG NG PAMBANSANG KOMISYONG PANGKASAYSAYAN NG PILIPINAS TUNGKOL SA HINDI WASTONG PAGGAMIT NG PAMBANSANG AWIT NG PILIPINAS SA ISANG SHORT FORM VIDEO REEL NG ISANG SAYAWAN ("RAVE PARTY")

Nakatanggap ang Pambansang Komisyong Pangkasaysayan ng Pilipinas (NHCP) kamakailan ng mga sumbong tungkol sa isang short-form video reel na naka-upload sa iba't ibang mga social media platform kung saan mapapanood ang ilang mga nagkakasiyahang mga tao na inaawit ang Pambansang Awit ng Pilipinas sa hindi angkop na pamamaraan sa isang "outdoor rave party." Hindi pa namin matukoy kung saan ang tiyak na pinagmulan ng naturang video, ngunit batay sa aming pagsisiyasat sa ilang mga lead sa social media ay naganap diumano ang naturang kasiyahan noong nakaraang Disyembre sa Estados Unidos. Sa kadahilanang walang bisa ang mga batas ng Pilipinas sa labas ng bansa, hindi magagawan ng NHCP ng karampatang legal na aksyon ang naturang insidente.

Gayunpaman, pinaaalalahanan ang mga pamayanang Pilipino sa ibayong dagat na ang mga opisyal nating mga pambansang sagisag tulad ng Pambansang Watawat, Pambansang Awit at ang Escudo-de-Armas at Dakilang Sagisag ng Republika ay protektado mula sa hindi wastong paggamit alinsunod sa Batas Republika Blg. 8491 (ang Flag and Heraldic Code of the Philippines). Partikular na nakasaad sa Seksyon 37 at 38 ng naturang batas na ang Pambansang Awit ay (1) "tutugtugin o aawitin alinsunod sa balangkas at arreglo ni Julian Felipe lamang" at (2) "ipinagbabawal na tugtugin o awitin bilang libangan o pang-aliw."

Naninindigan ang NHCP na ang pagpapahayag ng pag-ibig sa sariling bansa ay bunsod ng tapat at malinis na hangarin. Habang ang pagiging makabayan ay maaaring ipamalas sa iba't ibang pamamaraan, ito ay dapat isagawa ng may karampatang hinahon at ingat, nakabatay sa umiiral na mga batas at pang-unawa sa kultura, sapagkat ang pagiging padalus-dalos sa ating kilos at gawi ay maaring makapagdulot ng maling impresyon o di kaya'y makasakit ng damdamin, kahit na ang hangarin ay mapukaw ang damdamin ng ating mga kababayan.

Ang Kalayaan at mga karapatang tinatamasa natin sa kasalukuyan ay nakamit sa pagbubuwis ng dugo, pawis at luha ng ating mga bayani. Tungkulin natin, bilang pagpapahalaga sa pamanang ito, ang maging **responsable** sa ating pagganap sa kalayaang ito. <WAKAS>

A 48-year-old American bound for Singapore was arrested at Ninoy Aquino International Airport Terminal 3 on Wednesday for carrying about five grams of suspected marijuana, in violation of Republic Act 9165.

The passenger was flagged at a security checkpoint after Office for Transportation Security screeners detected a suspicious image in his backpack during X-ray inspection. A manual check led to the discovery of the substance, later confirmed by the Philippine Drug Enforcement Agency (PDEA) as marijuana ("kush") with an estimated standard drug price of P6,000.00.

The Philippine National Police Aviation Security Group arrested the suspect, informed him of his rights, and properly documented and inventoried the seized items in the presence of witnesses.

The suspect and evidence are now in custody and will be turned over to PDEA for laboratory examination and proper disposition. | via Rudy Santos

POSIBLENG IPATAW NA SINTENSYA?

Sakaling mapatunayang guilty si dating pangulong Rodrigo Duterte sa kasong "crimes against humanity," maaari siyang patawan ng hanggang sa 30 taong pagkakakulong sa International Criminal Court (ICC).

Ayon kay Atty. Gilbert Andres, Common Legal Representative ng mga biktima, walang death penalty sa ICC at sinusunod lamang nito ang maximum jail time na ipinatutupad din sa mga bansa sa Europa.

Samantala, umaasa ang mga biktima na masimulan na ang pagdinig ngayong Oktubre.

"WE HAVE TO EXERCISE PRUDENCE"

Pinaliwanag ni DSWD Sec. Rex Gatchalian sa House Committee on Transportation ngayong Martes, April 28, 2026, na aabot sa P2.7 billion ang posibleng mawala sa gobyerno kung hindi beripikado ang listahan ng mga driver at operator na makakukuha ng ayuda.

Dagdag niya, ang inisyal na listahang nakukuha nila ay "junk list," kung saan maraming nauulit na pangalan kaya kinakailangan pa nila itong linisin.

Handa naman daw ang DSWD na magbigay sa pamamagitan ng e-wallets basta sigurado silang malinis at maayos na ang listahan ng mga bibigyan.

BACK TO ZERO SA PAGHAHANAP KAY ZALDY CO?

Iginiit ni Sen. JV Ejercito na tila bumalik sa simula ang pamahalaan sa paghahanap kay Zaldy Co matapos kumpirmahin ng Department of Justice (DOJ) na wala na sa kustodiya ng Czech authorities ang dating kongresista.

"Of course, we would want him to be here so that we can already find out what he knows, kung ano 'yung participations, sino 'yung mga kasama. Kailangan talagang may managot dito," saad ng Senador. | via Maeanne Los Baños-Oroceo

Sen. Ping Lacson, chairman of the Blue Ribbon Committee, on reports that Zaldy Co is no longer in Czech custody: Simply put, it was a lost opportunity and our government has nobody to blame except itself. Failing to act with dispatch after having been timely informed of ex-Cong. Zaldy Co's apprehension by the Czech authorities now puts the government in an embarrassing situation.

"Government must now exert extra effort and work double time to bring him back not only to redeem itself from this lapse but to show its sincerity and seriousness in bringing Co and his co-conspirators to justice," he added. | via Nimfa Ravelo/DZBB

Davao City 1st District Representative Paolo “Pulong” Duterte made a sarcastic post on social media about being closely followed by operatives in Davao City, sarcastically saying that he now feels like a “VIP” with added security.

He quipped about the frequency of surveillance, suggesting officials know his schedule better than his own staff. Duterte also made ironic remarks about the vehicles used and even extended a tongue-in-cheek invitation for them to visit his home.

What if Luzon just seceded? This question popped up in some GCs and groups as soon as the head-to-head OCTA preference survey results between Mayor Leni and Sara showed Sara at 46% and Mayor Leni at 35%.

It showed Mayor Leni leading by double digits in NCR and balance Luzon. But the big number is that of Sara at 88% in Mindanao, which is a virtual chokehold of support.

Which also prompted some to ask, what if all Duterte supporters just move to Mindanao and Luzon becomes its own island state?

Well in terms of pure economic output, Luzon is the powerhouse of the Philippines, contributing approximately 70% of the national GDP. The Greater Manila Area and surrounding regions like Calabarzon and Central Luzon already host the majority of the country's manufacturing, financial services, and infrastructure.

This concentrated wealth suggests that on paper, Luzon would possess the fiscal and industrial capacity to sustain a separate country of 64 million (minus Duterte supporters), maintain a military, and engage in international trade.

Also, Luzon's geographic advantages are significant, as it contains the nation's primary international gateways and a vast agricultural heartland. The Cagayan Valley and Central Luzon plains provide a strong foundation for food security, particularly in rice production.

However, as a separate country, Luzon's most critical challenges would be resource-based. While Luzon is economically dominant, it relies on the Visayas and Mindanao for a significant portion of its energy and raw materials.

28 Apr, 2026 16:52:46

Mitigating the economic fallout of secession is theoretically possible, but it requires a swift transition from a national mindset to a hyper-competitive regional one.

Luzon would likely need to pivot toward a "Singapore-plus" model. By leveraging its massive service sector and manufacturing hubs, the new state could establish itself as a specialized high-tech and financial sanctuary.

To mitigate the loss of energy and raw materials from the Visayas and Mindanao, Luzon would have to accelerate its transition to energy independence. This would mean a heavy investment in renewable energy projects such as offshore wind in the Ilocos region and solar farms in Central Luzon, and potentially revisiting nuclear energy options similar to the Bataan Nuclear Power Plant.

On the food security front, the focus would shift toward smart agriculture, using data and technology to maximize the yield of the Central Luzon rice bowls and the Cordillera vegetable highlands to reduce reliance on southern imports.

28 Apr, 2026 16:52:51

So what would this imagined Luzon Republic look like?

Imagine a Monday morning in the Republic of Luzon where your coffee in Makati comes with a side of the daily exchange rate between the Luzon Peso and the Visayas or Mindanao Florin.

In this high-stakes reality, Manila has transformed into a hyper-dense pseudo city-state, a service and tech lung breathing in global capital. To compensate for the lost food basket of the south, vertical farming towers now punctuate the Quezon City skyline, and the Central Luzon plains hum with Dutch-style agritech designed to wring double the productivity from every hectare.

The morning commute offers a glimpse of a leaner, more urgent energy landscape. With the national grid decoupled, the horizon off Ilocos is now a forest of offshore wind turbines, while talk of modular nuclear reactors dominates the headlines to ensure the BPO industry never goes dark.

This imagined island state is not a country in the usual sense. It's a compact, ambitious island-nation standing alone decoupling from part of itself that worships a single, dynastic family.

But maybe the real takeaway isn't whether Luzon can stand alone, but it's why the idea of separation even feels appealing. Because once a country starts imagining itself as cleaner, stronger, or more functional without certain people or dynasties in it, the problem is no longer geography or economics, but a willingness to give up on each other.

And that, more than any resource gap or trade disruption, is what truly makes a nation fragile.

What if Luzon just seceded? This question popped up in some GCs and groups as soon as the head-to-head OCTA preference survey results between Mayor Leni and Sara showed Sara at 46% and Mayor Leni at 35%.

It showed Mayor Leni leading by double digits in NCR and balance Luzon. But the big number is that of Sara at 88% in Mindanao, which is a virtual chokehold of support.

Which also prompted some to ask, what if all Duterte supporters just move to Mindanao and Luzon becomes its own island state?

'NUCLEAR BOMB' EVIDENCE

Boboto si Bicol Saro Rep. Terry Ridon pabor sa probable cause sa impeachment complaints laban kay Vice Pres. Sara Duterte.

Kumpiyansa ang kongresista na marami ring miyembro ng House Committee on Justice ang boboto katulad niya.

Itinuturing ni Ridon na malaki ang ebidensya laban sa bise. Kabilang dito ang Anti-Money Laundering Council (AMLC) report sa bank transactions ng mag-asawang Duterte.

NASA Once Photographed a Frog Mid Launch and the Image Still Goes Viral Today

A real 2013 NASA photo from the LADEE spacecraft launch at Wallops Flight Facility in Virginia captured something nobody planned for. A sound-triggered camera at the launchpad caught a frog airborne in the rocket's orange exhaust plume, sent flying by the sheer force of the Minotaur V rocket lifting off.

NASA officials verified the photo as authentic. The frog appears in just one frame, propelled ...

From a legal standpoint, the case filed by Atty. Mans Carpio against House members and government agencies is weak. It reads more like optics than substance.

First, members of Congress enjoy parliamentary immunity for acts done in the course of legislative duties. If disclosures were made during a hearing, those are protected. Hindi ito basta puwedeng gawing basehan ng liability.

Next, government agencies like the AMLC act within their mandate and enjoy the presumption of r... See more

"Simpleng pamilya" raw.

Sige. Simplehan natin.

Hindi natin sinasabing ang ₱6.7 billion na money movement ay automatic na ₱6.7 billion na net worth. Hindi ganoon ang accounting. Ang transaction total puwedeng may transfers, pass-throughs, loans, withdrawals, deposits, reversals, or repeated movement of the same funds.

Pero iyon mismo ang punto.

Kapag ganyan kalaki ang galaw ng pera sa paligid ng isang public official, hindi sapat ang "hindi 'yan yaman." Ang kasunod dapat: "Edi ano 'yan? Saan galing? Saan napunta? Kanino galing? Kanino napunta? Tugma ba sa SALN, legal income, declared businesses, loans, taxes, at lawful sources?"

At para mas precise: kung 630 reported transactions ang base, then ₱6.7 billion ÷ 630 is around ₱10.63 million per reported transaction. Ibang lens iyon, at hindi rin maliit. Mas lalo ngang lumalaki ang tanong.

Kung ikakalat naman ang ₱6.7 billion sa roughly 5,000 banking days over 20 years, lalabas na ₱1.34 million average money movement per banking day.

Hindi ibig sabihin may literal na ₱1.34 million transaction every single banking day.

Hindi ₱1.34 million na kinita kada araw.
Hindi ₱1.34 million na yaman kada araw.
Hindi ₱1.34 million na ninakaw kada araw.

Hindi ₱1.34 million na kinita kada araw.
Hindi ₱1.34 million na yaman kada araw.
Hindi ₱1.34 million na ninakaw kada araw.

It is an illustration of scale: ₱6.7 billion in reported money movements, viewed either as around ₱10.63 million per reported transaction or as ₱1.34 million average exposure per banking day across 20 years.

At para sa ordinaryong Pilipino, napakalaki niyan. That amount can be equivalent to major public needs: classrooms after a few banking days, medicines, scholarships, hospital equipment, evacuation supplies, farm support, or feeding programs. Kaya huwag nilang gawing parang sukli lang sa convenience store.

Ang tanong ng tao simple:

Ano ang source?
Ano ang purpose?
Sino ang beneficial owner?
Pass-through ba?
Loan ba?
Business income ba?
Sale ba ng asset?
Gift ba?

Sale ba ng asset?
Gift ba?
Tugma ba sa SALN?
Tugma ba sa lawful income?

Kung explainable, ilatag ang explanation.
Kung legitimate, ipakita ang records.
Kung walang tinatago, pirmahan ang bank waiver.

Kasi ang totoong simple, hindi natatakot sa resibo.

Ang totoong simple, transparent. See less

In an 85-page comment-opposition, the OSG argued that the petitions were procedurally defective and lacked merit. It asked the SC to deny all prayers for injunctive relief.

It's frustrating to learn that Zaldy Co is once again at large and that the government failed to ensure his transfer to its custody.

At dagdag pang nakakadismaya: Hindi makapagbigay ang gobyerno ng malinaw na sagot sa kung ano ang talagang nangyari at kung paano matitiyak ang pag-aresto kay Zaldy Co.

Dahil lang ba sa confidentiality ng mga impormasyon, o sadyang may ayaw lang sagutin? Kung ganito ang mangyayari, lalong magdududa ang marami sa kakayahan at sinseridad ng go...

The Department of Foreign Affairs (DFA) on Tuesday said it had immediately informed the International Criminal Police Organization (INTERPOL) after the passports of fugitive former congressman Zaldy Co were canceled in December 2025.

In a statement, the DFA said Co's regular and diplomatic passports were revoked through a court order.

"This was immediately reported to INTERPOL," the agency said.

The fact that Jayson Tatum and Jaylen Brown's primes are coinciding is so powerful in the current NBA landscape. Where other teams are constantly thinking about timelines, windows and personnel that fit season after season - it's much less of an issue in Boston.

As Jaylen Brown and Jayson Tatum reach their peak years, it allows the Celtics to remain competitive even through significant setbacks like Tatum's Achilles tear.
By building around Brown and Tatum, Boston simply keeps building on a foundation that's already championship-proven, continuing a legacy of success.

🚨 Tio Moreno challenged me to a debate. I asked the BNC bosses and they said yes. Me too. BNC will contact you and they can give May 2-3 or May 9-10 before Agenda Weekend timeslot (late afternoon). I'm fine with no rules but debate topics must be clear.

Malungkot ako sa pagkawala ni Alyssa, sayang talaga. Dapat gumawa na lang siya ng OF or nag-stream na lang sa Sulasok, mas marami pa siyang mapapasayang mga myembro ng 4ps. Ang masaklap kasi dito is si Kumander at yung mga embalsamador lang nakinabang sa katawan niya. Hustisya para sa amin.😢
